## FM Bank Sponsors CMA Sashay 5K Run/Walk

FM Bank pulled together a team of over 20 people who trucked it through downtown Lafayette in support of the Children's Museum of Acadiana. Each team member donated personal time and money to the effort as part of the annual CMA-Smartwater 5K Sashay where money is raised to keep the museum operational. The Children's Museum of Acadiana services bus loads of school children from across Acadiana who visit during field trips to explore and learn in a fun and hands on environment.
